

Lloyd Motor Group Vacancies

Cumbria's leading family-owned prestige car group has the following vacancies at its Cockermouth and Carlisle dealerships.

Vacancies at Cockermouth

SALES MANAGER

West Cumbria's only prestige car dealership, comprising BMW, MINI and Volvo, is looking for a dynamic and pro-active team leader with the right combination of skills, drive and commitment to fully exploit the opportunity of this great brand in West Cumbria. Already a successful Sales Manager, you are ready to join a premium-sector dealership to drive the continuing success of our three premium brands. With a strong work ethic and enthusiastic approach, you have succeeded to-date due to your belief in customer focus and driven, pro-active goal achievement.

Reporting to the Dealership's General Sales Manager you will have responsibility with him for Sales Operations and be expected to drive the team to high achievement in customer service and your departmental targets. A proven Sales Management record and a full driving licence plus good computer literacy are essential.

SALES EXECUTIVE

Required to join our MINI team, you will be hard-working and enthusiastic, with an excellent attitude to customer care and good interpersonal/negotiating skills. You are self-motivated and you will be keen to ensure excellent presentation with consistent daily effort to develop customer contact and achieve your targets. You will report directly to the Sales Manager.

SERVICE ADVISOR

Self-motivated, enthusiastic with exceptional communication and customer service skills, the ideal candidate will be able to carry out a wide range of duties within our busy Service Department. The ability to work as part of a team and a competent level of IT skills are essential. Previous experience within the motor industry would be an advantage, but full training will be given.

Vacancies at Carlisle

SALES EXECUTIVES - Prestige Franchises

With a focus on providing exceptional levels of customer care and working as part of our sales team, the ideal candidates will need to be excellent communicators and highly motivated team players. Passion, an understanding of prestige cars and a proven sales track record are desirable.

WORKSHOP CONTROLLER

A technically experienced person is needed to become part of our workshop team. The successful applicant will control the flow of work and be capable of operating within existing systems. Applicants need a logical approach to problems and a desire to further their career without management responsibility.

These roles come with excellent remuneration packages. Full training will be given and development opportunities are considerable.

All applicants for any of the vacancies in this advertisement should apply in writing, with full C.V., to:

Sian Roberts, HR Manager,
Lloyd Group, Kingstown Broadway,
Carlisle, Cumbria CA3 0EF
